Low-Cost Playful Ideas

1. Visit parks, green spaces, beaches or forests
2. Play outside – get the wellies and raincoats on and jump in puddles
3. Paint the pavements, walls, fences, gates or drainpipes with water – all you need is a bucket and brushes
4. Have a family dance party or sing-a-long
5. Create a fort in your living room out of blankets or cardboard boxes
6. Go on a hike
7. Have a sunset picnic at a park or beach
8. Upcycle old toys using stickers, foam or paint
9. Try some sewing or knitting
10. Play a game of chess, dominoes, jacks or card games
11. Make a sensory bottle using old bottles, coloured water, glitter, beads, stones or anything you fancy!
12. Make slime. Pour 2 tbsp of shampoo into a bowl, add 2 tbsp of shaving foam and mix. Add 1 tsp of salt and mix everything together thoroughly. Put mixture into the freezer for approximately 15 minutes
13. Buy a cheap box of chunky chalk – children will have hours of fun
14. Make a mystery bag – fill a bag with random supplies and see what children will play or make
15. Make a mat to play hopscotch on. You can roll it out for play – an old sheet is perfect
16. Melt ice! Fill cups or containers with coloured water, freeze them, and watch the ice melt as you add salt to it
17. Make a collage with paper, glue and things to stick like pictures cut out of catalogues or magazines, scraps of paper, ribbon, fabric, dried pasta, natural materials etc.
18. Play x-o-x or eye-spy
19. Have a game of hide-and-seek
20. Street play – go outside and encourage other children to go 'out to play.' Play some football, frisbee, dodgeball, piggy in the middle or stick in the mud.

You'll be amazed at what fun can be enjoyed!

Family Benefits Advice Service

Providing free, impartial and confidential advice to parents, carers, childcare providers and employers

Employers For Childcare

Working for Parents

Our family Benefits Service provides free, impartial and confidential advice to parents and carers to help them maximise their income and inform them of their rights and entitlements. We operate a Freephone helpline 0800 028 3008 - Monday to Friday from 8am to 5pm

Many people don't realise that even if they are working, they may still be entitled to financial help. Whether it's a first time parent wanting to know what support is available or someone considering altering their hours of work, our team of experts will be happy to work out what's best for each individual.

How we can help

We provide information and advice on a wide range of childcare and work related issues including

- Tax-free childcare
- Universal credit
- Tax credits
- Childcare vouchers
- Disability Benefits
- Maternity/Paternity leave and pay
- Shared Paternity leave
- Flexible working
- School Uniform Allowance
- Free School Meals

Information we may need

To help us identify the support someone may be entitled to, it can be useful to have the following information to hand when calling

- P60 income for previous tax year
- Estimated earnings and weekly working hours for this tax year
- Childcare costs
- Any disability or sickness benefits in payment housing costs including rates
- Details of Maternity Leave and Pay
- Immigration status (if applicable)

Help towards childcare costs

If working and paying for registered childcare parents may be entitled to help through

- Universal credit
- Tax free childcare
- Tax-Credits

Parents currently using Childcare Vouchers can continue to do so, while they remain with their current employer and their youngest child is under 16 (17 registered disabled)

Our advisors can calculate which form of support is best suited to each household's circumstances. We also work directly with employers and childcare providers, to give advice and guidance.

Talk Learn Do Training for professionals who work with parents

Did you know that nearly a third of parents say they never or rarely discuss where money comes from with their children?

79% of children would turn to their parents for money advice. This shows the importance of financial education at home

The Money and Pensions Service hugely successful programme, ['Talk Learn Do: Parents Kids and Money'](#) demonstrates that supporting parents to develop the confidence and skills to talk to and teach their children about money can positively impact on the financial wellbeing of both parents and children. Since 2016, we have worked with over 1,500 professionals across the UK to deliver TLD to parents and carers they support. We are now looking to upskill more professionals so they can deliver Talk Learn Do to parents they work with.

What is Talk Learn Do (TLD)?

TLD is a facilitator led group session that encourages parents of 3–11-year-olds to talk to their children about money and create opportunities for their children to experience managing it. The programme provides parents with tools, ideas, and fun activities to help include money in everyday conversations and activities.

With the increase in personal finance related news and ongoing cost of living pressures, there continues to be a demand for financial wellbeing work with parents and training for professionals who support them.

We are working with Campaign for Learning and Quaker Social Action to expand our training programme for professionals who support parents across the UK. The training is free and open to organisations across the UK. Each organisation will initially be allocated one training space on a first come first served basis. Further spaces to be allocated if available.

Timing

Weds 16th November

Wednesday 23rd November

Wednesday 7th December PM

Thursday 12th Jan

Tuesday 17th January

Wednesday 8th February

The workshop sessions are expected to run for three to four hours with breaks in-between.

Location

Training will take place virtual

Requirements

Participants will be expected to take part in an optional short survey before and after the training. This will help MaPS to understand the effectiveness of the training.

WORKABLE (N.I.)

SES (Supported Employment Solutions) is contracted to deliver the Department for Communities **Workable (NI) Programme** across Northern Ireland. SES is a consortium consisting of 7 Disability Organisations – Action Mental Health, Cedar, Now Group, AdaptNI, RNIB, Orchardville Society & Mencap. Workable N.I. aims to provide support to employees who are in work (10+ hrs), suffering from a disability or mental health condition and who would benefit from support to sustain and retain employment. The programme also supports the employer / manager. It is a referral based programme, with individuals being able to self-refer, or be referred by another party. Employees are initially supported for a period of a year, with the caveat of extension at 11-month stage.

Workable (NI) can provide:

1:1 Support, specially tailored to employee needs
Advice & Assistance – making reasonable adjustments in the workplace
Pro-active corrective measures
Enhanced morale

Benefits to employers include:

Long & short term absence reduced
Reduced need for temporary staff
Less HR time spent on follow up
Increased productivity

NEA TRAINING SERVICES

National Energy Action (NEA) is one of the leading providers of domestic energy and fuel poverty training services for over 30 years. We are delighted to offer both face to face and online tuition across the UK. Our aim is to enhance the quality of energy advice services provided by local, regional and national organisations across various sectors.

Fuel poverty remains a sadly prevalent issue around the UK, and the net zero target means that energy efficiency and heating decarbonisation is high on the agenda, with a large-scale retrofit programme of the UK's housing stock required if net zero is to be achieved by 2050. This means that households of all kinds will need high-quality and up-to-date energy advice services and fuel poverty training.

As well as our existing suite of training NEA can create bespoke courses to respond to specific needs.

We look forward to welcoming you on one our courses soon.
For further information about of the courses and fees please contact

At National Energy Action (NEA NI) we are concerned that higher energy prices, reduced incomes and leaky, inefficient housing could put many households in Northern Ireland at increased risk of fuel poverty this coming winter. These increases come at a time when many household budgets are already stretched thin.

However, at NEA we know that some simple changes to day to day activities could make big differences to household bills.

To assist household, NEA are providing **FREE Energy Efficiency information sessions** online or face to face across Northern Ireland

The following topics are included:

- Impact of living in cold, damp home
- Taking control – understanding your heating system
- Energy efficiency low cost/no cost top tips
- Keeping the heat where it is needed - reducing heat loss
- Causes of and remedies for consideration
- Comparing and switching energy suppliers
- Advice and Support

Energy Efficiency In The Home Keeping Warm and Well

At National Energy Action (NEA NI) we are concerned that higher energy prices, reduced incomes and leaky, inefficient housing could put many households in Northern Ireland at increased risk of fuel poverty this coming winter. These increases come at a time when many household budgets are already stretched thin.

However, simple changes to day-to-day activities could make big difference to household bills. Here are a variety of no cost/high low cost energy savings tips.

- You can save around £55 just by remembering to turn off electric appliances and not leave many of them on standby, e.g TV, laptops, mobile phones
- Room thermostats allow you to set the temperature your home heats up to and maintains. Turning it down by only 1 degree could save you around £80-100 per year.
- Only boil the water you need in your kettle. This can save you £12 per year.
- Effective insulation of your hot water cylinder is important. Increasing the insulation 80mm thick could save you £45 a year. Increasing loft insulation to 270mm can save between £350 -£300 per year.
- Only run the dishwasher when full. 1 less run per week could save £15 per year.
- Save an average of £65 on electricity a year by drying clothes on a clothesline instead of using a tumble dryer
- Spending one minute less in the shower every day will save up to £9 per person off your household energy bill each year.
- Washing clothes at 30 degrees and 1 less cycle per week can save around £15 a year on energy.
- Switch off lights when not in use. This could save you between £4-£13 per bulb per year
- Draughtproofing windows/doors can save around £40 per year. Chimney draught excluder can save an additional £20

Are you experiencing financial hardship?

We help families across the UK who are raising a disabled or seriously ill child or young person aged 17 or under. You can apply to Family Fund if:

- You live in England, Northern Ireland, Scotland or Wales
- You are the parent or carer of a disabled or seriously ill child or young person aged 0-17 who lives with you
- You are currently living in the UK and done so for at least six months, or three months if your child is less than six months old.
- You are eligible to work and apply for public funds
- Your child is not in Local Authority care
- You need to also have evidence of entitlement to any one of the following: *
 - Universal Credit
 - Child Tax Credit
 - Working Tax Credit
 - Income-based Jobseeker's Allowance
 - Income Related Employment Support Allowance
 - Income Support
 - Housing Benefit
 - Pension Credit.
- Your child or young person has a high level of additional support needs arising from a long-term disability or disabling condition or a serious or life limiting illness. By long term we mean lasting or likely to last 12 months or more. Please read our [child and young person eligibility criteria](#).

Notes:

We're now urging families living on low incomes in Northern Ireland, with disabled or seriously ill children or young people aged 17 and under, to apply for urgent grant support for essential items, to see them through these final winter months.

NOTE: IF A FAMILY HAS RECEIVED A GRANT WITHIN THE LAST 12 MONTHS THEN UNFORTUNATELY THEY ARE NOT ELIGIBLE – ELIGIBILITY IS AVAILABLE AT THE WEBSITE LINK BELOW.

Few quick links to areas of our website where you will find more detailed information.

The urgent application service

Is a dedicated service for registered third party professionals. We provide help on behalf of the parent/main carer with a disabled child or young person where the disabled child or young person is going through an unexpected medical crisis or is at the end stages of life. The urgent service aims to deal with applications within 24 - 48 working hours of receipt.

When to use the urgent service

You can make an application via the urgent service where:

A child/young person is seriously ill in hospital or at home and is not expected to live for long.

A child/young person has been in hospital for over five days and there has been or is likely to be a significant financial impact on the family.

A disabled child is experiencing an unexpected medical crisis and the family need immediate assistance related to this medical crisis.

A child/young person is undergoing intensive treatment protocol and may be attending hospital throughout the week but not an inpatient.

How to register

To register, email your full work contact telephone number and address including your job title and department to:

urgents@familyfund.org.uk

We will contact you to confirm that you have been registered. You will then be able to start making applications. Please do not complete an application with a family before confirmation of your registration has been given. We must decline any urgent application that has been completed by someone not registered to use the urgent service.

[Chances for
Children Grants -
Buttle UK](#)

Grants are made directly to children and young people who are facing a range of complex issues. They are tailored to their particular needs, in order to prevent them from falling further into crisis and help them to transform their lives.

The grants pay for a range of items and costs, many of which are those we would expect any child growing up in the UK to have, but which their parents or carers cannot afford. In a small number of cases, where home is not the best place for a child to be, the grant pays for them to attend boarding school.

What makes our Chances for Children grants different is that they offer a holistic funding package designed to meet the multiple needs of vulnerable children and young people.

The grants meet immediate practical needs by paying for household items, but also meet a child's longer-term educational and emotional needs. As such, we have found that they can have a disproportionately positive impact compared to their monetary value; in some cases, they are transformational. There is nothing else like them available within the social care sector.

CASH FOR KIDS DAY GRANT FUND IS NOW OPEN

Cash for Kids Day Grants are available to organisations and service providers who support children who have a genuine need for support and are suffering from disadvantage due to poverty, ongoing impact of the pandemic and increases in the cost of living. These grants are for emergency situations only and funds are limited so if you do plan to apply, please only apply for individual families who are in an emergency situation.

Grants will be £35 per child for items that support children and young people's physical and mental well-being. Items we will consider funding include food, clothing, household fuel and well-being packs.

Individuals / families cannot self-refer or apply directly for

support. Applications on behalf of children must be made by a recognised referral source such as professionals within a governing body (e.g., social services, GP, teacher etc.) from a registered charity or community organisation with a formal constitution / governance document.

We issue funds via bank transfer to the official charity/community group/organisation bank account. These funds can then be used to purchase essentials such as food vouchers, hampers, heating, clothing or learning resources – whatever you feel the families need most.

Documentation required for upload:

1. Bank statement and/or paying in slip for the account funds are to be paid in to (matching the details on application).
 2. Community Groups/Organisations – copy of constitution or formal governance documentation.
 3. A letter on headed paper from a senior member of your organisation to confirm your eligibility to apply for a grant on behalf of the families you support.
- Applications without the correct documentation uploaded will not be considered.

To check the eligibility criteria and make an application, please visit coolfm.co.uk/cfkday and scroll down to the APPLY FOR HELP section

Mission Christmas 2022 - Applications Now Open

Applications will be reviewed on a first come, first serve basis and the link will be removed as soon as we reach capacity.

This year we know there will be bigger demand for support than ever before. This will be compounded by the prediction that gift donation levels may be lower than usual due the ongoing impact of the cost of living crisis.

Actions that must be taken by our beneficiaries:

Application numbers:

Consider the points above and be realistic in your ask, verify that the children you are applying for are the most in need. Remember we aim to give each child you apply for 4-5 gifts each so consider this as well.

DO NOT APPLY FOR GIFTS UNLESS YOU CAN CONFIRM:

You will be available to pick up your order up to and including Friday 23rd December.

2. We can contact you via the email address you provide in the application form to come and pick up your gifts. You must therefore monitor your emails regularly.
3. You must have access to a vehicle big enough to collect the gifts you have ordered in one trip.

IF YOU ARE HAPPY WITH ALL OF THE ABOVE PLEASE APPLY FOR GIFTS HERE:

How do I ask for help?

To ask SVP for help, you can contact SVP by phone on tel 028 9035 1561 or via the website at www.svp.ie/requesthelp

When you contact SVP, a member of staff will take your contact details and someone will contact you to arrange for two members from your local Conference to visit you.

Members will try to arrange to visit as soon as possible, at a time that suits you. Usually they visit within 10 days of you contacting the Society.

What happens after I contact SVP?

1 Where possible, SVP will phone you to arrange for members to visit you. This phone call may be from a private number so the number might not appear on your phone.

2 Two SVP members will visit you to offer friendship and support. They will talk with you about your situation and they may take notes. These notes are private.

3 When your local SVP Conference next meets, the members who visited you will explain your situation. Conference members will decide the best way to support you.

4 The SVP members who visited you may phone you to arrange another visit. When they visit, they will explain if and how they can help you.

5 The SVP members may visit you a few times or more, if needed.

6 Every situation is different and SVP members will match assistance and visits to your own needs.

Your local SVP Conference may offer you one or more of the following types of help:

Friendship and support

Help with money problems

Information about other services you can use

Help with explaining your case to other organisations (advocating for you)

Help with coming to an arrangement (negotiating for you) with other organisations you might owe money to.

Confidentiality

SVP visits are confidential. This means that SVP does not share any information you provide without your permission. For information on GDPR/data protection, please visit www.svp.ie.

The members who visit you will talk about your situation with other members of their SVP Conference. They may also talk to other SVP members or staff but only if they need to do this to help you.

Members of SVP must help protect children, young people and vulnerable adults. This means that if a member believes that a child, young person or vulnerable adult is at risk or in danger, they must report it. This policy is part of the SVP Safeguarding Policy.

If a member of SVP has any safeguarding concern, they will try to talk to you about it before they report it.

Tips for making a great shopping list

1. Keep a running “to-buy” list of items you regularly buy
2. Check what food you have in your cupboards, fridge and freezer
3. Do a meal plan for the week based on what food you have
4. Add extra ingredients you need to your “to buy list”

Northern Ireland Oil Buying Clubs

For more information go to:

[The Housing Executive - Oil Buying Clubs \(nihe.gov.uk\)](http://nihe.gov.uk)

What is an Oil Club?

Oil Buying Clubs are based on a simple idea - the more people that buy oil together, the lower the cost. You can buy as little as 200 litres of oil. When all club member orders are put together, the Club can get a better price.

The best way to negotiate a great price for your Club, is NI Oil Buying Network negotiating on the intended bulk order, on behalf of an area of clubs. Savings made are passed on to all members.

The more people that take part in the initial orders, the greater the savings.

We are open to new membership. We can help you set up a new club in an area of need.

For more information:

email: oilbuyingclubs@nihe.gov.uk or

Freephone: [0800 111 4455](tel:0800 111 4455) to speak with an Energy Adviser

More about Oil Buying Clubs

For your benefit, Oil Buying Club processes have changed.

Easy as 1.2.3.

- We take your 'intended' order and negotiate with suppliers for the best price.
- We send you the best reduced price with an order discount code via text, email or phone call.
- You place your own order by the supplier deadline, in 1 to 3 days
(*Or, the selected supplier may choose to follow-up on your order by phone)

What are the Benefits?

You can buy as little as 200 litres without having to buy larger bulk orders.

It is free to join.

Ordering through an Oil Club means you can avoid having to buy 'emergency 20 litre oil drums', which can be much more per litre than a distributor might charge.

You avoid the risks with transporting oil in your car and transferring oil into the tank.

Save money - members benefit from a reduction in price per litre with the larger volume order.

Supplier saves on delivery costs.

Fewer vehicle movements equals a reduction in CO2 emissions - fewer deliveries reduces the number of tanker journeys – safer for the community and better for the environment.

Produces social cohesion and sense of community spirit.

Membership open to home owners, private renters, and NIHE/Housing Association tenants.

ASDA Meal Deals for OAPs and Kids

£1 meal deal for OAPs is part of the new 'winter warmer' initiatives

We're launching a range of new 'winter warmer' initiatives to support customers and community groups struggling with the cost-of-living crisis.

Throughout November and December we're offering people aged 60 and over the chance to enjoy soup, a roll and unlimited tea and coffees for just £1 in any of our cafes.

The offer is available all day, every day and will run alongside the current 'Kids eat for £1' offer which continues to be hugely popular.

For Community Groups

Meanwhile, the cost of living grant programme led by Asda's charity The Asda Foundation will support grassroots organisations who are providing a lifeline in their communities during these tough times. "The Asda Foundation is providing funding worth £500,000 to support community groups that are struggling with rising operating costs or increased demand for their vital services in the current climate

Individual grants worth up to a maximum of £2,000 are available and priority will be given to groups and charities that need financial help to cover increased energy costs or who want to use their facilities to create 'warm banks' – spaces where people can keep warm this winter if they can't afford to always heat their homes.

We're also running a 'Community Cuppa' campaign in our cafes by creating space for community groups who may otherwise struggle to meet due to rising energy costs. Spaces will be available on weekdays in November and December from 2pm to 6pm and all community group members who visit will receive unlimited free tea or coffee.

We are now officially in autumn and the clocks go back on the 30th of this month, meaning shorter days and colder weather. This can be a cosy time for many, but we understand the cost of living may make this a worrying time too. We in the Money Guiders NI Network want to support you and your colleagues, so that in turn we all are able to support ourselves and our service users. This month we encourage you to reach out and **#AskTheQuestion** – the Network is there to help! Read on to find out what's going on across the **Money Guiders Northern Ireland network** in October, what **free-to-access events** are coming up this month and read some useful **hints and tips** for saving money that you can share with your service users and colleagues.

We're here to help you support your customers & service users

The [Money and Pensions Service](#) set up the Money Guiders Northern Ireland Network in March 2021 as part of the wider [Money Guiders](#) programme, which aims to support their UK-wide [Strategy for Financial Wellbeing](#). Delivered by [Reed in Partnership](#), Money Guiders Network NI aims to support organisations that deliver non-accredited money advice throughout Northern Ireland, by creating a community of money guiders where learning and sharing about good practice is at the heart of the conversation.

Our [Network](#) provides a range of provisions to support this including free monthly events, webinars and peer-to-peer pathfinder clinics where you can connect with other organisations that can help you learn and support your end-users. Please feel free to forward this newsletter onto any colleagues who you feel might find it of interest!

Who is a 'Money Guider'?

Anyone who delivers non-accredited money guidance in their day-to-day duties. By this we mean those day-to-day money issues your end-users deal with. For example, how to manage on a low income, resolving credit card debt, affording a car, a house, how to save, lifestyle budgeting' etc.

Our Network includes a wide range of members in different roles including Youth Workers, Welfare Officers, Support Workers, Housing Officers, Employment Advisers, Consumer Rights Advisers, Skills Trainers, Project Officers amongst many others.

If you're not a member yet and you would like to join, click [here](#). Alternatively, if you would like more information, please send us an email to moneyguidersni@reed.com.

About the scheme, The Troubles Permanent Disablement Payment Scheme is being run by the Victims' Payments Board (VPB). It acknowledges the harm suffered by those injured in the NI Troubles/conflict and aims to promote reconciliation between people in connection with NI's troubled past. It also recognises the implications of living with a permanent disability caused by a Troubles-related injury, including the financial impact on individuals and their families. The scheme can provide payments to those who have suffered permanent disability (either physical or psychological) as a result of an injury caused, through no fault of their own, in an incident related to the troubles/conflict.

What evidence do I need to provide? When you have made an application VPB (victims payments board) will assess the extent of your permanent disability to make a decision on your entitlement to payments. You do not need to get any additional medical information before applying.

Who can apply? Your application will need to meet a number of criteria to be entitled to payments. For example, an injury caused by a Troubles-related incident must have resulted in a permanent disability level of at least 14%, as assessed by a suitably qualified healthcare professional. You can make an application on behalf of someone who has died if that person could have nominated you to receive payments from the scheme. What payments are available under the scheme? The level of payment will depend on the extent of your permanent disability resulting from a Troubles-related incident. Payments could range from about £2,000 to £10,000 per year. You may be able to nominate someone close to you to receive payments for up to 10 years after your death. You may also be entitled to a payment backdated to 23 December 2014, but you must apply by 31 August 2024 (or a later date if decided by the Secretary of State for NI). If you make an application on behalf of someone who has died, any payments you receive will depend on the extent of the permanent disability of the person who has died.

How to apply? The scheme is open for applications from 31 August 2021 to 31 August 2026 (or a later date if the Secretary of State for NI extends the scheme). You can apply online at www.victimspaymentsboard.org.uk or let one of our experienced Pension Officers help you with completing this application.

Ashton Launches Community Food Store – The Pantry

Ashton Community has just embarked on a new community project. The initiative is called “The Pantry”, a Community Food Store project based in the Ashton Centre.

Whole Service Approach

A community Food Store differs from Food Bank in that it doesn't just provide food but works to provide a “whole service” approach. This means the pantry operates on a membership basis where participants will be provided with support from trained volunteer mentors. This is aimed at helping members develop skills including things like budgeting, debt management, cooking, nutrition and help with advice

Membership

Once you join the Pantry, you pay a weekly membership fee of £5. This five pounds enables you to avail of a weekly shop of approximately £40 for a period of 12 weeks. Both food and hygiene products are available through the Pantry. Members purchase items based on their own preference. Items are colour coded according to their value.

“As everyone knows, times are tough, people are struggling financially and with Christmas on the horizon, everyone is under pressure with paying bills, heating homes, and buying presents. I promised myself when I opened the restaurant that it would be about community, helping others and being a safe place for everyone. So We will do what we do best and try and help people who need it.

Every Sunday from now (30 October) until 18 December, we will be cooking free Sunday roast dinners for any family or individual who needs it.

Absolutely FREE. This will run from 12 noon until 3pm at the restaurant where you can sit and have **a family meal including dessert and juice. We will try our best to make parcels of food to take home too.**

If you would like to come along, you must email
chefgemmaaustin@gmail.com

Or

text 07842828240 to let me know you're attending and with how many people by Thursday evening at the latest.

I don't want anything going to waste so I'll only be cooking for the amount I know are coming.

You can attend every week or as many times as you like.
No social media will be used to ensure its anonymous to those who attend

It doesn't matter if you're a full time worker or a single parent/carer with children who just need a hand. We all need help sometimes

(We hope that people who have large disposable incomes won't use this as an excuse for free grub as we won't be asking any questions about those attending. We hope only people who will benefit from this will take part”).⁵³

Heat and eat scheme for people struggling during cost of living crisis launched in Belfast

A SCHEME to provide heat and a warm meal to people struggling amid the cost of living crisis has been launched in Belfast.

Available to anyone aged over 55, the 'Heat and Eat' scheme aims to help those in need during the continuing challenging times and the forthcoming winter months.

The initiative has been launched by the Springfield Charitable Association (SCA), which will provide dinner every Monday between 4pm and 6pm at its Cupar Street centre.

At the end of every four weeks those attending will receive a voucher for £20 to help with their energy bills.

The scheme, which aims to accommodate around 20 people, will last for 26 weeks and it is hoped that if additional support is received it could be extended further.

With the cost of living at its highest level in a decade, this winter could see some people forced to make the difficult decision between choosing to keep food on the table or heat their homes.

Gerard O'Neill from the SCA said they are "trying to make sure people have a little help over the next few months".

"The scheme is open to anyone over 55 to come in for a meal and we will also assist them with payment towards their energy costs," he said.

"We also hope that as the group gets together every week that they will support each other in the times ahead.

It comes at a time when there are real issues for people trying to manage their heating and food bills. We haven't got great resources ourselves, but we will do all we can to provide a meal and help with energy costs.

"It will also be a way of exploring other ways of supporting each other as a community, I think people will pull together.

"While it is set to run for 26 weeks, we hope that with further support, we could keep it going for longer."

For further information, please contact the SCA on 02890 235350.

Kid's Winter Coat Scheme - Roar and Explore, Dairy Farm Shopping Centre, Stewartstown Road, Dunmurray.

On Monday 17 October we are launching a "Kids winter coat scheme" to help families with young kids as we come into the winter months. The Coat Rail will be located in our entrance porch so you don not need to come into Roar and Explore to avail of the scheme.

What this means:

1: If you have an old coat (which is still in good condition) you can exchange it for a different size.

Or

2: You can simply take whatever you need from the coat rail

If you have a spare kid's coat that is in good condition, or if you would like to donate a new coat to this scheme, please leave it at Roar and Explore's reception. All donations will be greatly appreciated, by both us, and more importantly the families they will help this winter.

Green Dog Walkers – Pet Food Bank

As a Council we don't want any animal - or their owner - to go hungry and are here to help.

Sadly, the cost-of-living crisis means that more pet owners are struggling to afford to feed their pets.

A recent study suggests that 7 in 10 pet owners are worried about the cost of caring for their animals and a 1/5 are concerned about how they'll afford to feed them.

Anyone who wishes to donate dry or canned pet food can do so at any of our three 'drop off' locations:

- **Ardeevin, Galgorm Road, Ballymena**
- **Smiley, Victoria Road, Larne**
- **Civic Centre, Antrim Street, Carrickfergus**

If you are struggling to feed your pet and wish to avail of a donation, then please speak in confidence to a member of our team on

T: 028 25 633 394.

If you simply want to find out more about our Pet Food Bank then contact us on the number above

Welcoming Places

Mid Ulster District Council operates at the heart of our community. In doing so, we're working with our local partners to promote a network of places where our residents can come together in a warm welcoming environment, somewhere where they can connect with others or simply read a newspaper and enjoy a cup of tea or coffee.

We've listed all the places available to our residents across the public, private, health and voluntary sectors across the district. We'll add to this list as we become aware of more places that come up across our district. If you wish to add your organisation you can [email](#) our Community Development team.

Campaign Briefing

Find a WARM Welcome Here this Winter

Where can people go, and what can they do, to stay warm and find company this winter?

Figure 1: Campaign Graphic

Ards and North Down's Community Support Steering Group¹ has developed a **WARM welcome here campaign**. The purpose of this campaign is to encourage people who may struggle with the cost of heating their home this winter to think about other warm spaces they could go to. Warm spaces include libraries, museums, churches, community premises or other spaces with free or low-cost activities.

A campaign graphic has been developed to encourage people to 'stay WARM and connect' and is supported by the question 'where can you go, what can you do to stay warm and find company this winter'. This is provided as a Jpeg that can be used on social media channels to promote the campaign to the public.

Figure 2: Warm Welcome Heart Graphic

Organisations who have a warm space are encouraged to advertise this using the **Warm Welcome heart graphic**. This is provided in both Jpeg and PNG format and can be used on your advertising or within your premises.

Organisations can choose to use the campaign graphic, the Warm Welcome heart graphic or both. If you have your own branding for your warm space, you may wish to use the strap lines 'stay warm and connect this winter' and/or 'find a warm welcome here this winter'.

If you would like us to help promote your warm space, and to let the public know when it is available, please complete [this form](#). We will share this information with our contacts and include it on the Council's website.

¹ The Steering group is facilitated by Ards and North Down Borough Council as part of the Community Planning Partnership

Kid's Winter Coat Scheme - Roar and Explore, Dairy Farm Shopping Centre, Stewartstown Road, Dunmurray.

On Monday 17 October we are launching a "Kids winter coat scheme" to help families with young kids as we come into the winter months. The Coat Rail will be located in our entrance porch so you don not need to come into Roar and Explore to avail of the scheme.

What this means:

1: If you have an old coat (which is still in good condition) you can exchange it for a different size.

Or

2: You can simply take whatever you need from the coat rail

If you have a spare kid's coat that is in good condition, or if you would like to donate a new coat to this scheme, please leave it at Roar and Explore's reception. All donations will be greatly appreciated, by both us, and more importantly the families they will help this winter.

Strategy	Supporting families experiencing financial hardship
Background	<p>Northern Ireland will face a number of significant challenges in the economy over the coming months. The conflict in Ukraine and associated economic sanctions on Russia, coupled with China's continuing lockdown policy is not only causing disruption to supply chains, but is also increasing costs of commodities and energy. This means it costs more to heat homes, fuel cars and feed families. UK inflation rates currently sit at a 40-year high, with the immediate impact being sharply felt by households and families.</p> <p>The project intends to take a co-ordinated approach to support local families in the short, medium and longer term. While the project will give immediate help to those in need the longer-term objective will focus on a continued investment in skills, innovation, sustainability and resilience building within families.</p> <p>As with all SureStart services a non-stigmatising a sensitive approach will be taken especially with targeted services.</p>
Short Term: Within one month	<p>For those in immediate need:</p> <ul style="list-style-type: none"> • A breakfast club will be introduced before services begin for parents and children (starting Monday 12th September 2022). Breakfast cereal, breakfast bars/pastries, fresh fruit, yogurts and tea/coffee will be provided. • A snack rack will be set up for parents dropping children off at the DP2-3YO's (starting Monday 12th September 2022). Grab snacks such as breakfast bars, instant porridge, fruit will be provided. • More substantial snacks will be provided at the DP2-3YO's and creche with immediate effect. Buffet basket available throughout for children to eat fruit etc. • Sanitary products, nappies and wipes will be made available in all toilets in the centre and outreach venues. <p>Immediate referrals will be made to:</p> <ol style="list-style-type: none"> 1) Community Advice Newry, Mourne and Down for benefit checks and advice. 2) Clanrye Group Community Health Trainers for support in relation to mental health, stress management, diet, smoking cessation etc. 3) Employers for Childcare for support with childcare costs 4) St Vincent De Paul for support with oil and household items. 5) Children in Need for support with white goods. 6) Womens Aid when domestic abuse is identified (statistics show a rise in DV rates at present) 7) Newry Food Bank <ul style="list-style-type: none"> • The project will no longer use food items for play in services and other items will be used to provide sensory experiences. • The project has registered with the Fare Share Scheme in order to keep food costs down.

Medium Term: 2-7 months

Universal:

- An **Eco-Boutique** will be set up in the centre with clothes, toys, books and other non-electrical items, Families can take what they need, and leave something in return, however this is optional.
- Two **Information days** will be held in the centre, in partnership with other organisations, to provide families with information in relation to the following:
 - 1) Benefit advice
 - 2) Support with childcare costs
 - 3) Employment opportunities
 - 4) Training for employment
 - 5) Budgeting advice
 - 6) Ways to reduce your electric/gas bills
 - 7) Ways to embrace the pre-loved and recycled ethos
 - 8) Stress management support and advice
 - 9) Healthy living advice
 - 10) Assistance available from a variety of other sources (Contact a family, Bolster, Family fund etc)
- An **A-Z booklet** of advice and support available for families will be finalised and distributed.
- The **low cost/no cost play** theme will continue to be promoted in services showing parents ways to provide play and development opportunities for children with little or no cost.
- **Basic skills videos** such as sewing and making repairs to clothing will be posted on the project's website and Facebook pages.
- **Cooking on a budget programme** will be provided.
- **Using a slow cooker workshops** will be provided.
- **Cookery demonstration videos** will be made and posted on the projects Facebook and website.
- Ongoing **referrals** will be made to support families (as outlined in short term strategies).
- **Christmas crafts workshops** – make your own presents will be offered to reduce pressures for families.
- **Toy Exchange Programme** – for the Christmas period

Targeted:

- **Store cupboard starter packs** and a cookbook will be distributed to include spices, herbs, tinned tomatoes/puree etc.
- **Slow cookers** will be distributed.
- **Keep warm packs** will be distributed.
- **Hospital packs** will be distributed to expectant mothers.
- During the **Christmas** period the project will work with local charities and businesses to support families with gifts from Santa and Christmas food hampers.

Longer Term: within one year	<ul style="list-style-type: none"> • All short and medium term strategies will continue. • A consultation will take place with families to identify their needs. • A new annual plan will be devised taking into account the needs identified by families.

New Warm Spaces Scheme and Online Cost of Living Support Hub Launched in Armagh City, Banbridge and Craigavon Borough Council

Warm Spaces Scheme: Eligible community groups can now make up to five **free** bookings across a network of local warm spaces to deliver their programmes this autumn and winter. With an offering of 18 council community centres, town halls and recreation centres (subject to availability), the scheme will help groups save on costs such as heating, electric and room hire charges. To be eligible to apply you must be:

- ☒ a constituted community group based in the borough of Armagh City, Banbridge and Craigavon
- ☒ delivering a programme or project aimed at supporting borough residents through the cost of living crisis.

Online Cost of Living Support Hub: Local residents can find out what assistance and support is out there to help individuals and families during the current cost of living pressures. The online hub features information on local food banks, details on help with managing finances and energy bills, as well as signposting to key support organisations, charities, and helplines.

☐ For full details on the Warm Spaces Scheme, visit: <https://bit.ly/3Dy7cfL> or to access the online Cost of Living Support Hub, visit: <https://bit.ly/3NqV0BK>

Welcoming Places

Mid Ulster District Council operates at the heart of our community. In doing so, we're working with our local partners to promote a network of places where our residents can come together in a warm welcoming environment, somewhere where they can connect with others or simply read a newspaper and enjoy a cup of tea or coffee.

We've listed all the places available to our residents across the public, private, health and voluntary sectors across the district. We'll add to this list as we become aware of more places that come up across our district. If you wish to add your organisation you can [email](#) our Community Development team.
